This image shows step 45 of a LEGO Technic assembly. A red line indicates the placement of a new grey 1x4 Technic brick onto the base. The assembly includes various grey, yellow, and blue components, including a large grey structure on the right and a yellow component on the left. The base is constructed from grey and yellow Technic bricks.

3x 1x 1x

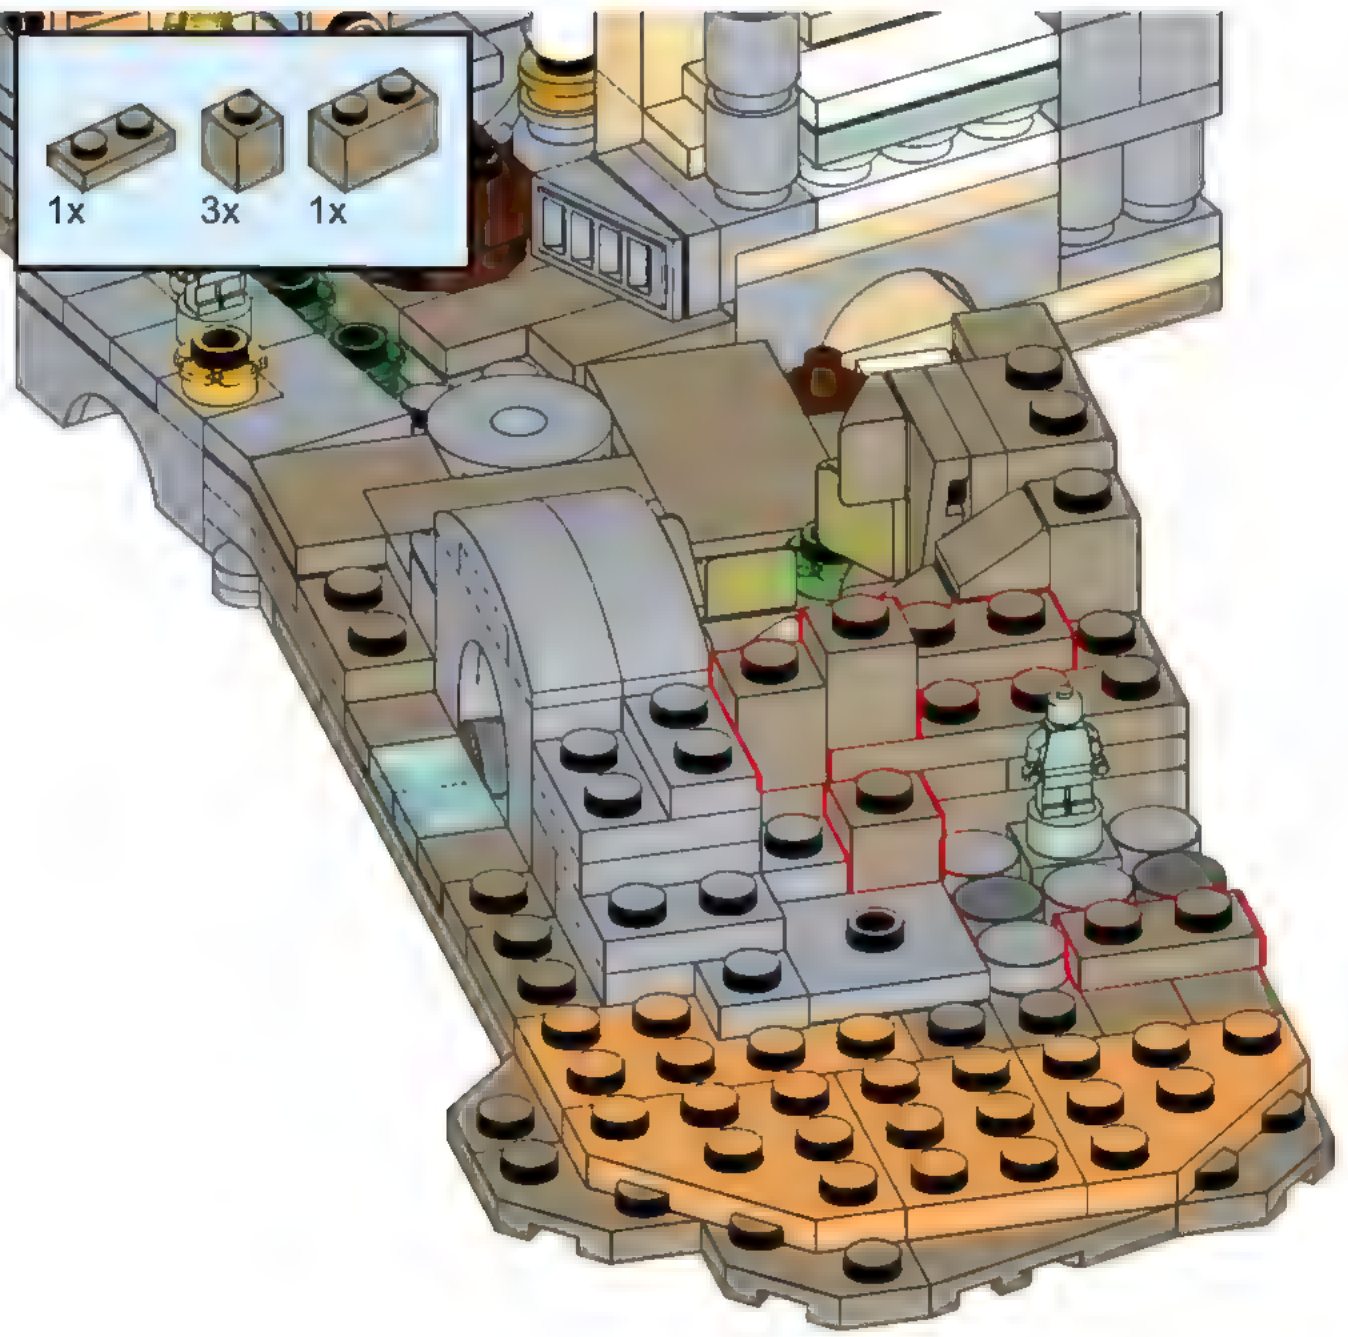

This inset box lists the parts required for step 196. It contains three items: a 1/2 wedge (3x), a 1/2 brick with 2 holes (1x), and a 1/2 brick with 3 holes (1x).

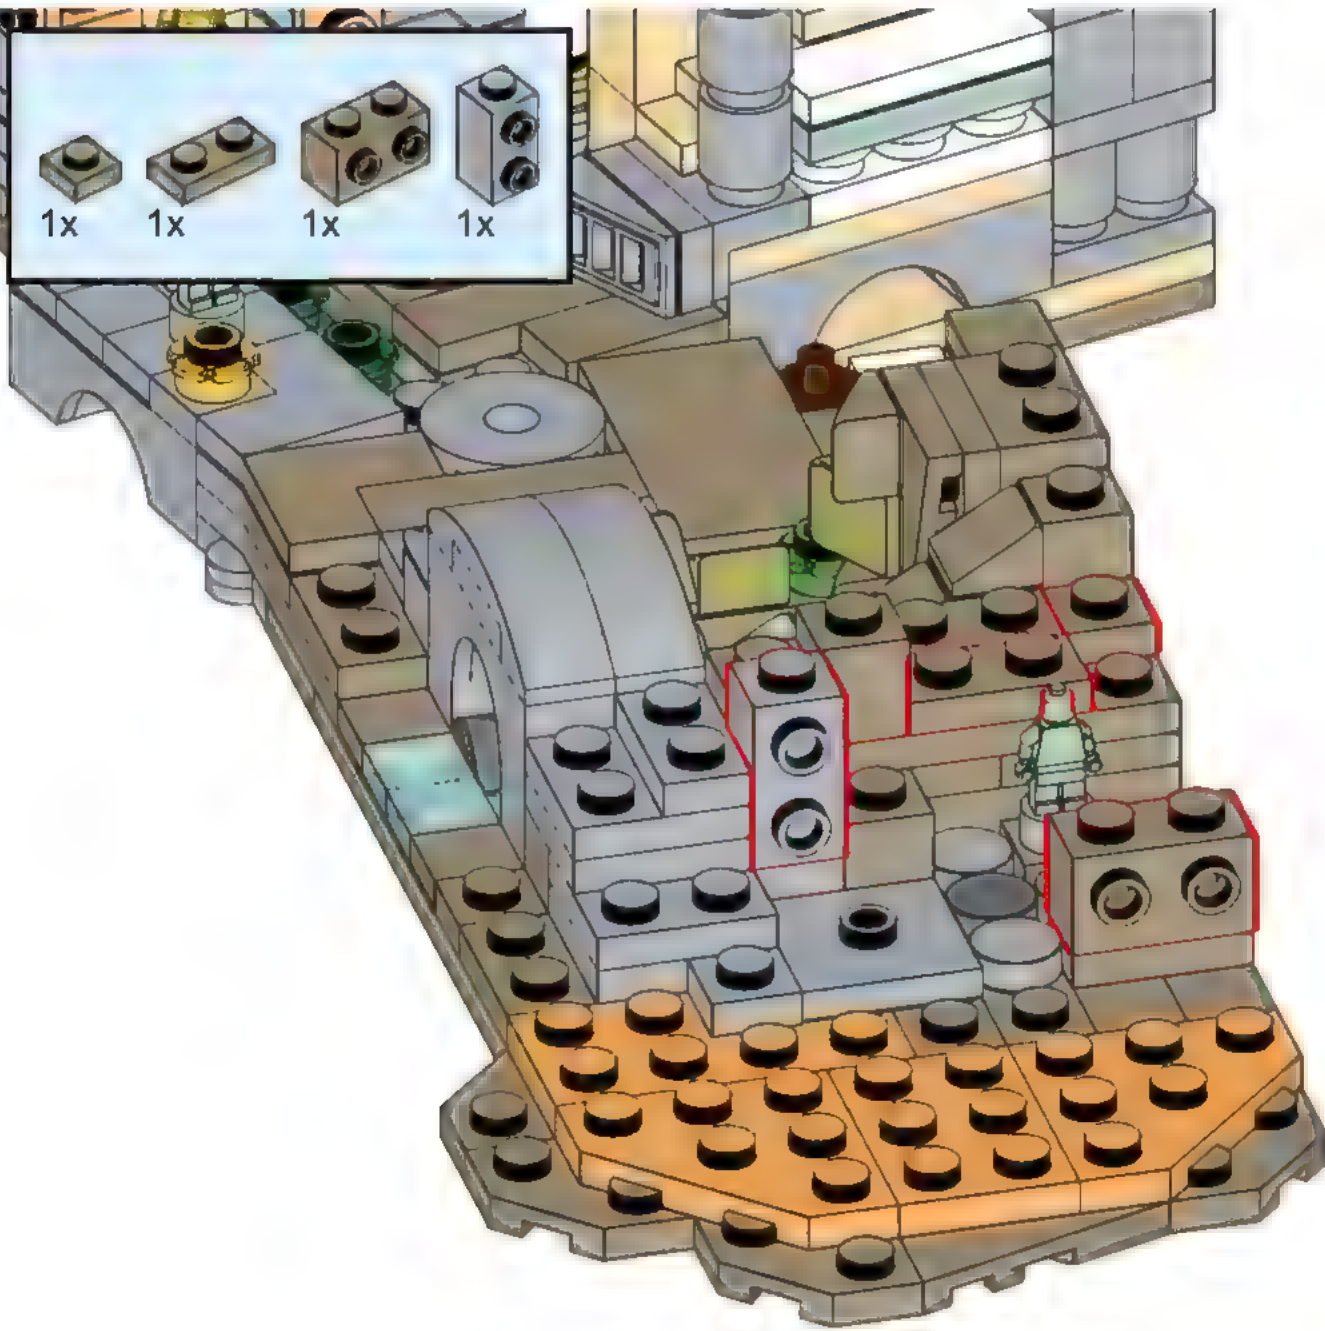

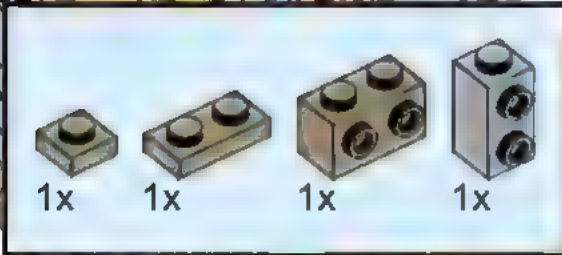

197

1x 3x 1x

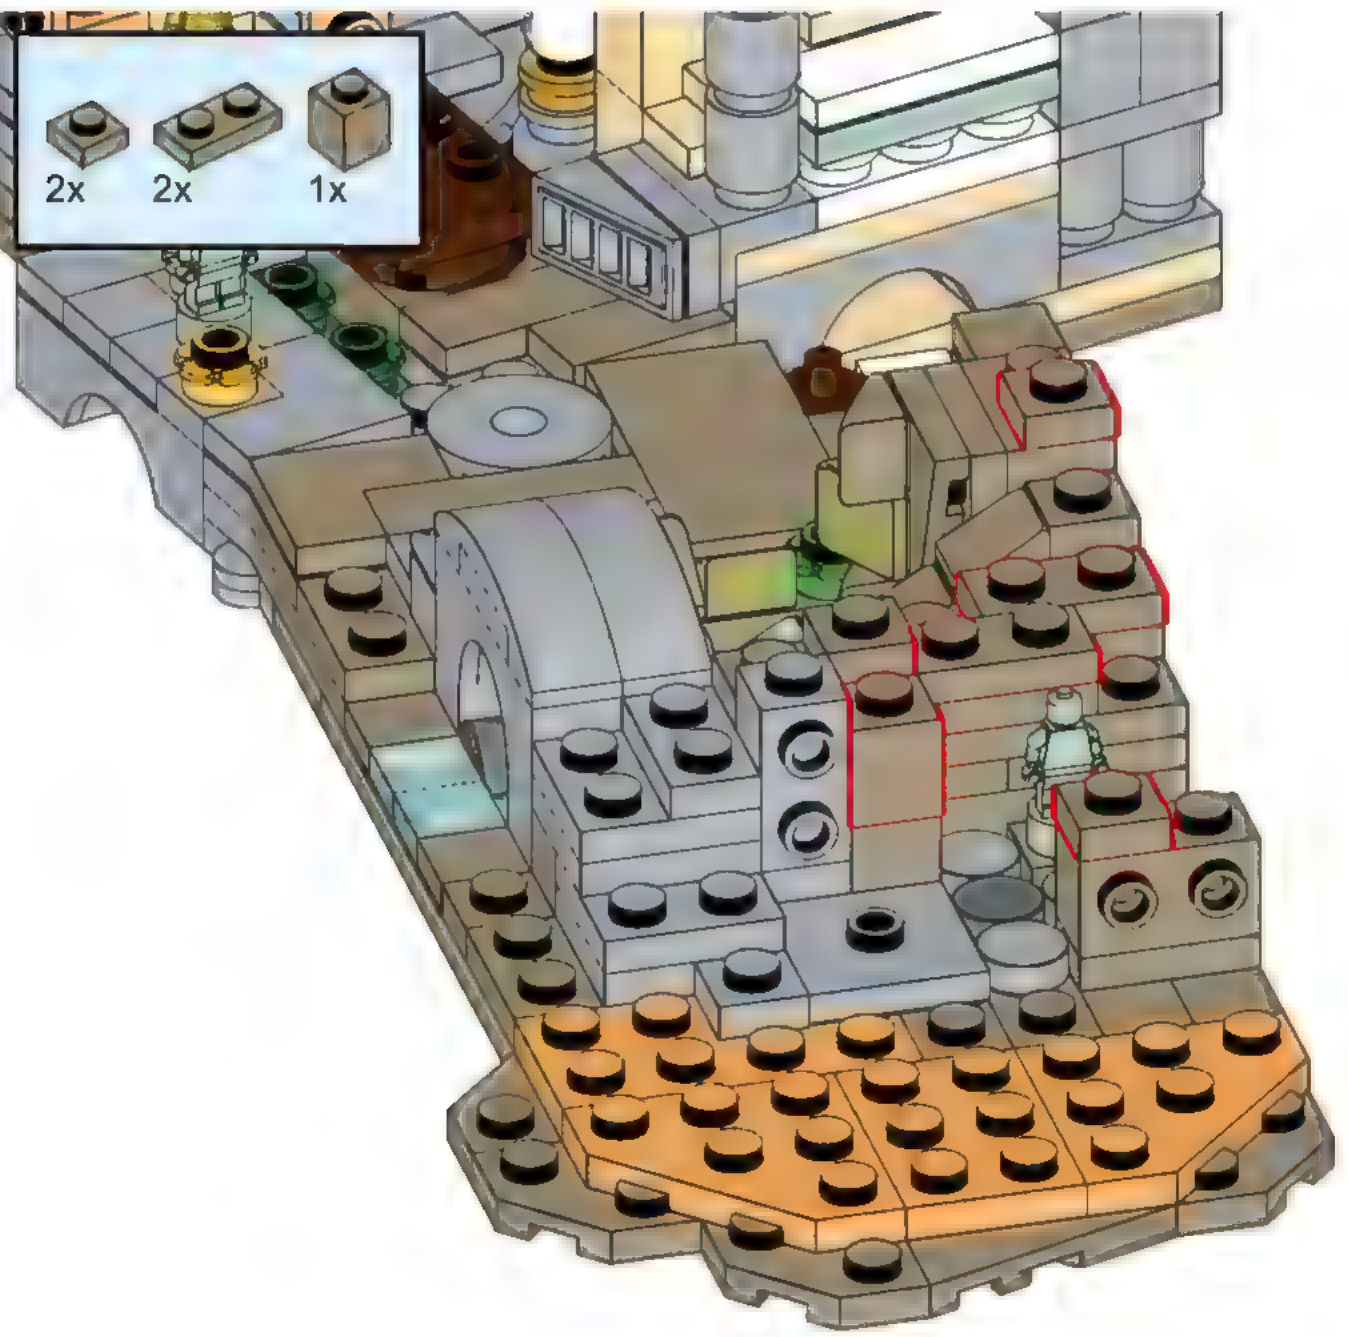

A light blue rectangular box containing three small images of LEGO parts. From left to right: a 1x2 grey Technic brick with two black pins, a 3x1 grey Technic brick, and a 1x2 grey Technic brick with two black pins. Below each image is a quantity label: '1x', '3x', and '1x' respectively.
